Advanced Cardiovascular Life Support Courses

Course	Modules Available	Length (w/6:1 student: instructor ratio)	Description	Audience	Student Materials	Instructor Materials	Card Type	Written Exam/ Skills Test
ACLS for Healthcare Providers	Advanced Cardiovascular Life Support	(w/6:1 student: instructor ratio) 13 1/2 hours approx., including breaks	The American Heart Association Advanced Cardiovascular Life Support course is totally redesigned to incorporate new science evidence from the 2005 Guidelines and a new teaching methodology. Through the ACLS course, healthcare providers will enhance their skills in the treatment of the adult victim of a cardiac arrest or other cardiopulmonary emergencies. ACLS emphasizes the importance of basic life support CPR to patient survival; the integration of effective basic life support with advanced cardiovascular life support interventions; and the importance of effective team interaction and communication during resuscitation.	For emergency, intensive care, or critical care healthcare providers such as physicians, nurses, emergency medical technicians, paramedics, respiratory therapists, and other professionals who may need to respond to a cardiovascular emergency.	<i>ACLS Provider Manual</i> (80-1088) ACLS Provider CD ACLS Precourse Checklist ACLS Pocket Reference Card Set	<i>Advanced Cardiovascular Life Support ACLS Instructor Manual</i> (80-1086) ACLS Instructor CD ACLS Course Video (includes renewal) DVD (80-1090) VHS (80-1091) ACLS Poster Set (80-1082) ACLS Algorithm Emergency Cart Card Set (80-1083) AHA Instructor Stopwatch (80-1018) <i>OR</i> ACLS Instructor Package (80-1087) (includes Instructor Manual, Instructor CD, two ACLS Course Video-DVDs, Provider Manual, Student CD, Precourse Checklist, two Pocket Reference Cards, Emergency Cart Cards, and an AHA Red Stopwatch)	ACLS Provider Card	Written Exam and Skills Test
ACLS EP	Advanced Cardiovascular Life Support for Experienced Providers	9-10 hours approx.	The ACLS Experienced Provider Course is designed for seasoned ACLS providers who wish to renew their provider status. The course provides a stimulus for expert clinicians and scientists to identify and discuss resuscitation in special circumstances.	Professionals, clinicians, and scientists who must respond to cardiovascular emergencies and special resuscitation situations in the workplace	ACLS: The Reference Textbook <u>Strongly recommended:</u> ECC Handbook	<i>ACLS EP Instructor Manual</i>	ACLS EP Course Completion Card	Written Test and Skills Test

Pediatric Advanced Life Support Courses

Course	Modules Available	Length (w/6:1 student: instructor ratio)	Description	Audience	Student Materials	Instructor Materials	Card Type	Written Exam/ Skills Test
Pediatric Advanced Life Support	Pediatric Advanced Life Support	14 hours approx.	The completely redesigned American Heart Association's Pediatric Advanced Life Support course is based on new science evidence from the <i>2005 AHA Guidelines for CPR and ECC</i> and a new teaching methodology. The goal of the PALS course is to aid the pediatric healthcare provider in developing the knowledge and skills necessary to pediatric healthcare providers in developing the knowledge and skills necessary to efficiently and effectively manage critically ill infants and children, resulting in improved outcomes. Skills taught include recognition and treatment of infants and children at risk for cardiopulmonary arrest; the systematic approach to pediatric assessment, effective respiratory management; defibrillation and synchronized cardioversion; intraosseous access and fluid bolus administration; and effective resuscitation team dynamics.	For pediatricians, emergency physicians, family physicians, physician assistants, nurses, nurse practitioners, paramedics, respiratory therapists, and other healthcare providers who initiate and direct advanced life support in pediatric emergencies	<p><i>Pediatric Advanced Life Support Course Guide</i> (80-1412) (Set of 5)</p> <p>PALS Student CD</p> <p>PALS Precourse Checklist</p> <p>PALS Pocket Reference Card</p> <p><i>Pediatric Advanced Life Support Course Guide & Pediatric Advanced Life Support Provider Manual</i> (80-1434)</p>	<p><i>Pediatric Advanced Life Support Instructor Manual</i> (80-1410)</p> <p>PALS Instructor CD</p> <p>Scenario Cue Cards</p> <p>PALS Course Video DVD (80-1409)</p> <p>VHS (80-1416)</p> <p>PALS Poster Set (80-1413)</p> <p>PALS Emergency Cart Card Set (80-1408)</p> <p>AHA Instructor Stopwatch (80-1018)</p> <p>OR</p> <p>PALS Instructor Package (80-1411, includes PALS Course Guide, Provider Manual, Instructor Manual, two Course Video DVDs, Pocket Reference Card, Poster Set, and an AHA Red Stopwatch)</p> <p><u>Optional:</u></p> <p>PALS Tabletop Flip Chart (80-1435)</p>	PALS Provider Card	Written Exam and Skills Test
